Request for Continued Examination on March 8, 2004, is waived. The Office's Patent Term Adjustment history on the Patent Application Information Retrieval System (PAIR) indicates that the Office did not take into account the three month Extension of Time Applicants filed with their Request for Continued Examination on March 8, 2004. This 90 day adjustment changes the Patent Term Adjustment from 172 days to 82 days.

In compliance with its duty of candor under 37 CFR 1.56, Applicants hereby notify the Office of this possible discrepancy and ask for a prompt ruling.

If there are any issues which can be resolved by a telephone conference, the Office is invited to call the undersigned attorney at (404) 853-8064.

The foregoing is submitted as a full and complete Request for Reconsideration of Patent Term Adjustment under 37 CFR 1.705.(b).

Respectfully submitted,
